

Surendranath Evening College

Department of Bengali

Programme Outcome:

- Students are expected to develop the language skill to communicate both in writing and verbally.
- It is expected that after completion of the programme students will get a fair knowledge of the Bengali language and literature. They will also know the rich cultural heritage of Bengal and how it emerged, evolved and sustained despite several upheavals.
- After graduation they are expected to develop the sense of art, language and literature that will enable them to better understand the social and cultural relationships as well as human relationships.
- Students will also grow the sense of how to appreciate art, culture, language and literature.
- Students are also expected to develop their analytical skills by this programme so that they can judge literary works properly.
- Students are also expected to have some experience by doing field study on folk language, literature and culture for better understanding the heritage of a specific locality which has a rich resource of folk elements.
- Students have become capable of receiving education appropriate to the present time.
